Welcome to all families, both to those who are returning and to those who are joining Hurstville Public School in 2015. We are delighted to have you with us and wish you a long and happy association with our school.

We have had a very settled and productive start to the year. Our Kindergarten students commenced school this week and we were so impressed with how happily they adjusted to “big school”! As I visited the classrooms, it was a pleasure to see such calm, confident and engaged children – they looked more than ready for this next milestone in their lives.

Similarly, our new Year 5 students entering our OC classes looked very at home, very quickly. I’m sure parents will be relieved that their children have adapted quickly to their new school.

Our student numbers continue to rise. We received an extra demountable classroom during the school holidays and may well need another one very soon. Because our numbers are still going up, we may need to form an additional class. We will keep those affected informed if any changes of class become necessary.

**Great News!**
Thanks to the hard work of our Playground Committee, we have received $50,000 in grants from Sydney Airport ($5,000) and Community Building Partnerships ($45,000) to upgrade the playing area currently used by students from our Support Unit classes before school and at recess and lunch times.

The area currently looks like this: 😊
Following consultation with staff, students and parents, the Playground Committee has selected this design for this area: 😊

The area will have rubberised and artificial turf surfaces and provide flexibility to engage our students in a range of suitable physical and social activities. The area will be available to other classes to use at other times.

This project is scheduled to commence in Week 2, Term 2 – earlier if the opportunity arises – and should be completed in a week, weather permitting.

We have also received a magnificent donation of $100,000 from our P&C to go towards the further upgrade of our playground, with Areas 7 and 8 our next major area for construction this year.
We have the preferred design for this area, and it will make an enormous difference to the playing and sports facilities available for our students.

It is through the great fundraising support of our school community that we are able to improve the facilities and resources which we provide, so please support our P&C this year as we work together to fund a great playground environment for all students.

**Reminders for 2015**

As always, I encourage all parents who have a concern at any time to speak, firstly, with your child’s teacher and then, if necessary, to a member of the executive. Our aim is to solve any problems quickly and at the earliest opportunity, so please feel welcome to share your concern with a member of our staff. Minor problems generally work themselves out, and it is good for children to learn to handle small issues themselves. If the issues are more serious, or are not improving, however, your child’s teacher can be of great support. If ever you would like to meet with a member of our staff, please either write them a note and send it with your child or call the office to arrange an appointment. It is our preference to arrange meetings at a mutually convenient time, rather than try to discuss issues at morning lines or at the classroom door. This way, we can give you the attention you deserve rather than being distracted by trying to supervise children or being late for duties or meetings.

As we start a new school year, I would like to remind you of some important procedures:

**Arrival and Departure Times**

It is the policy of the Department of Education and Communities that **no children are to arrive at school before teacher supervision commences**. At Hurstville Public School, this is at 8:40 a.m. If families need to have children arrive at school earlier than this, then they must attend Before School Care, not wait in an unsupervised playground.

Students must be at school by the 9:00 a.m. bell. Students who arrive after the bell are to collect a late note from the office. We are required to keep accurate records of student attendance. Our rolls are legal documents and must accurately reflect when children are present at, or absent from, school. If children are late or absent, a written note of explanation must be provided.

At the end of the school day, students who are waiting to be collected must wait within the school grounds so that they are safe. This way, if the person collecting them is late, we are aware and can contact you to make arrangements.

Once collected, students and parents are asked to leave the school grounds promptly, not stay to play as there is no teacher on duty.

**Driver Behaviour**

You will no doubt be aware of the high number of accidents involving pedestrians in areas near schools. Children have been killed and injured on too many occasions, because of unsafe driving practices. **In the last decade, three children under the age of 16 have died within a school zone. Outside of school zones, but within the times of drop off (8.00-9.30) and pick up (14.30-16.00), ten children under the age of 16 have also died. On average, 131 pedestrians under the age of 16 are injured each year in NSW during the same drop off and pick up periods.**

It is vital that all drivers behave with the safety of all children as their first priority.

Please ensure that you, or anyone collecting your children, understand that:
• No parents or carers are to drive onto school grounds or enter school car parks at any time
• No parents or carers are to drive into Orange Lane at peak times, or to park in No Parking and No Stopping areas
• There is no double parking in Kenwyn Street, Orange Street or adjacent streets
• Drivers must not stop across driveways or on crossings
• Children must exit the car from the footpath-side passenger door, not onto the roadway

**Contact Details**
Please make sure that we have the correct contact details for your family and for anyone you wish to be listed as an emergency contact. If you have changed home or work address or phone numbers, please provide these new details in writing as soon as possible.

This is very important. Our office staff always check that anyone arriving to collect a child during school hours is authorised to do so. If the person is not listed, we contact the parent whose details we have to ensure that we have permission to release the child into the care of the person who has arrived. Sometimes, parents have enrolled their children and only listed one parent on the form. Your understanding of the need for our staff to be thorough in checking any unlisted people – even if this is a parent – is greatly appreciated. Our procedures are there for the protection of our students.

**Adults in Toilets**
Despite the signs on the toilet blocks, we continue to have issues with adults using the children's toilets. **Please make sure that grandparents and others understand that the only toilets that they are permitted to use are the ones in the library. This is also the case if they have a pre-school child who needs to use the toilet.**

No adults are to enter children's toilets.

**No nappies are to be placed in toilets.** Please take them home and dispose of them in your garbage. Nappies in the toilets block the sewer.

**Our toilets are not designed for use in a standing or squatting position.** This leads to broken seats and toilets and extra costs to the school.

**School Uniform**
It is wonderful to see so many of our children wearing full school uniform this year. Well done, and thank you, to parents for supporting us in this way. I have praised many children and asked them to thank you for providing them with the correct uniform.

If your child is wearing coloured shoes instead of black school shoes, your assistance in replacing these as soon as possible would be appreciated.

Some girls are wearing black leggings or tights with the summer uniform. We ask that these not be worn, as they are not part of the uniform. Short white socks and black shoes are the regulation footwear for girls each Monday – Thursday; short grey socks and black socks for boys.

Sports uniform is worn on Friday only, unless specifically advised. Students are to wear plain white sports shoes with the sports uniform.

It is also important, for sun safety, that all students wear a school hat every day. Please make sure that all uniform items are clearly labelled with your child’s name.
**Written Communication**

Our school website contains lots of information for families, and has a translation feature with a choice of 50 languages. Please check the website regularly at [www.hurstville-p.schools.det.nsw.edu.au](http://www.hurstville-p.schools.det.nsw.edu.au). You will find copies of notes in the Notes section, plus current and past issues of the Belltower newsletter. If you haven’t already done so, you can subscribe via the website to have the Belltower sent directly to your email address each fortnight.

**New Payment Options**

Parents now have two additional ways of making payments to the school. It is important that only payments that are to Hurstville Public School are made this way. Where payments are to third parties, such as a text book supplier or a photographer, these options are not available.

In addition to the existing methods of cash or cheque payment, we have introduced:

- an online payment system using a secure payment page hosted by Westpac and supported by the DEC. A direct link is available on our school website
- Eftpos transactions

1. **Parent Online Payment (POP) System**

   It is now possible for parents to make online payments to the school via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school’s website by selecting $Make a payment$.

   Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band and dance). There is also a category called “Other”. This is where items not specified in the previous headings can be paid. “Other” can be used to make a complete payment of a school invoice.

   When you access $Make a payment$, you must enter:

   - the student’s name, and
   - class and reference number OR
   - the student’s name, and
   - date of birth.

   These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number. These are not used at our school, so please leave blank.

   This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

   You have the ability to check and change any details of the payment before the payment is processed, which is before 6pm on the day of payment. Receipts can be emailed to you and/or printed from the webpage.

   Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page, a further receipt will not be issued by the school.
For any enquiries regarding the Online Payment process, please contact the School Administration Office.

2. Eftpos
Parents and carers will also have the option of paying accounts through Eftpos. We will be providing specially designed envelopes on which the details of the card and account can be added and sent to school.

Eftpos will only be available through this envelope system. It will not be available at the office counter or over the phone. Credit card payments can only be made for amounts of $10 or more.

To assist with the return of payments to school, we have created payment envelopes for you to use, which can be returned to school with permission slips where relevant. As described above, they must be used for payment by Eftpos, but they are also to be used for payment by cash or cheque or to indicate that payment has been made via POP.

These envelopes will be attached to the notes requiring payment that your children bring home. Please complete one envelope for each child and for each payment.

As you can see, 2015 is bringing lots of exciting developments to Hurstville Public School! Our aim is to deliver the very best programs, in all areas, for our students and provide excellent service for our families. We look forward to working in partnership with you this year.

Mrs Anne Hewson - Principal

In The Classroom

Early Stage 1 (Kindergarten)
We would like to extend a warm welcome to all parents of children in Kindergarten. The children have settled in extremely well and I think all the teachers would agree that it has been a great start to the year. We would also like to say how pleased and proud we are to see all our Kindergarten students in full school uniform.
Early Stage 1 (Kindergarten)-cont.

From Monday 9th February, Kindergarten students will be expected to line up in the Area 1 playground at 8.55am each morning. Kindergarten teachers will be in the playground at bell time to help line the students. Please help your child line up in their class line and then stand at the back of the line so that students can see teachers and listen to any messages. Supervision is available in the playground from 8.40am. Please do not leave your child any earlier than 8.40am. Please pick up your child at 2.30pm from their classrooms. Teachers will be marking off names in the afternoon to ensure that all students are picked up safely.

To help us with this, could you please make sure you have completed the dismissal note that indicates who will be picking your child up on each day of the week. Please return this note as soon as possible.

From Monday 16 February, students will be dismissed at 2.45pm from their classrooms. This will remain the pick-up time for the rest of Term 1.

Please remember to send in a small piece of fruit or vegetable that students can eat for 'crunch and sip'. This is usually at 10am each day. Students will also need to bring in morning tea, lunch and a drink. If you are ordering lunch from the canteen, please make sure you tell your child that they are having a lunch order. Make sure that all your child's belongings are labelled.

If you have any questions please do not hesitate to see your child's teacher or myself.

Mrs Jessica Maakaroun - Assistant Principal

Stage 1

Year 1

Welcome back to school to all students and families and a special welcome to new students and families who have come to Hurstville Public School this year. We hope that 2015 is a successful and enjoyable year for us all.

The students are all very settled into their classes for this year, and they have eagerly begun their Term 1 learning. During the first two weeks, the students are revising the school rules and behaviour expectations of their classrooms.

There will be quite a few notes being sent home during the first few weeks of this term. Please check your child’s bag each day and return responses or payments as soon as possible.

Please look for the class equipment list in your child’s bag. It gives a list of class requirements that we ask you to send to school. Textbook purchases will be made on a specific date. More information will come home about this and please read the information about textbooks in this newsletter. Home-reading will begin next week for students who have brought in their plastic envelope. News will also begin next week. Look for the news sheet in your child’s bag. Other homework will begin in Week 4.

It’s great to see most students in Year 1 wearing their correct school uniform, including hats, to school each day. All Year 1 classes will be participating in sport on Friday, so please send your child in their sports uniform on this day.

We look forward to meeting you on Tuesday 17th February at 5:30pm for the Parent Information Evening, where you will be informed about the Year One learning program for 2015.

Mrs Jenny Cooper - Relieving Deputy Principal
Year 2
Welcome back to all our students and families. We also welcome all of our new students and their families. We hope that everyone has had a restful holiday and that you have enjoyed spending extra time together during the break.

The students have settled in well to the school routine. Most students have remembered our school rules, the importance of wearing our full school uniform, including their hats, and the importance of arriving to school before the morning bell. We ask for your support with this as it helps ensure our students are getting the best of each school day and are maximising their learning time.

A letter will be going home soon with more information about what the students are required to bring to school. Please check your child’s school bag regularly for any notes that need your attention.

We look forward to meeting you all at our Parent Information Evening later in the month.
Mrs Zaga Marinkovic - Relieving Assistant Principal

Stage 3
Years 5 and 6
Welcome to the 2015 school year. Stage 3 students have quickly settled into their new classes and have begun the year with a responsible, hard-working attitude towards their learning.

Competitive swimmers participated in the swimming carnival at Carss Park on Tuesday. It was a fantastic day and the children made themselves, their families and their school proud.

Can all children please ensure that they arrive at school by 8:55am, wearing full school uniform including a school hat, with their lunch ordered from the canteen or packed in their bag? Children also need a bottle of water and fruit or vegetables for crunch and sip.

Stage 3 teachers look forward to meeting parents on Tuesday 17th February at 6:30pm in the main school hall.
Mrs Rebecca Ingram - Assistant Principal

Support Unit News
I would like to welcome back all our students and extend a warm welcome to all new families. Starting a new school is an exciting time but it can also present some challenges, so please communicate regularly with your child’s teacher to ensure a smooth transition. It is pleasing to see that all the students have settled in well to their new classes and are becoming familiar with their teachers and routines.

Please remember the following:

- Ensure that all students’ items are clearly labelled with the student’s names and class. This includes hats, jumpers, drink bottles and lunch boxes.
- Students are to be punctual and arrive at school on time. Teachers are on duty from 8.40am so parents are encouraged to ensure students have some time to play prior to the start of class at 9am. This ensures students are ready to concentrate once lessons begin.
- All students have a communication book and parents are asked to read it daily. All notes and communication is sent home via the communication book.
- The staff and students are looking forward to a happy and productive year of learning and we look forward to seeing families at the Parent Information Evening on Tuesday 17th February at 5.00pm.

Mrs Nicole Moore - Assistant Principal
**Band**

Welcome to our new Band members this year and welcome back to our returning members. Band rehearsals have started and we are beginning to get into a routine. Tutorials will begin in Week 3. A timetable will be sent home so students know when to bring their instruments to school.

This year we have a large number of students in the Training Band; therefore, rehearsals will be split into two groups: a smaller group rehearsing from 1.15pm-2.00pm and a larger group rehearsing from 2.00pm to 3.00pm.

Next week, during rehearsals, band members will be sent home with the band handbook. Please read through the handbook carefully as it answers many of the questions parents may have. Students will also bring home a Code of Conduct sheet, which must be signed by students and parents and returned to school, and a note outlining their band fees for the year. These fees must be paid promptly so that we can finalise numbers for our Band program. This is a one off, non-refundable payment which covers administration time for teachers, the upkeep of musical equipment, the provision of conductors and teacher supervisors at performances and the purchasing of pieces of music to support the band program.

Traditionally, the school has hired out some instruments for students in the school band. It is no longer economically feasible for us to continue this practice. Instruments may still be hired through Engadine Music or other companies. As such, we have the following instruments available for purchase.

Most of the instruments were serviced at the beginning of 2014. Please be aware that you are purchasing the instrument as it is. We take no responsibility for any problems which may occur in the future. We will provide a receipt of purchase once payment has been made.

If you are interested in viewing and possibly purchasing one of the instruments listed above, please email me on danielle.scott@det.nsw.edu.au clearly stating the instrument you are interested in and your child’s name, class and band. I will contact people in order of the email received to discuss purchase options.

I look forward to watching our band students learning and playing together over the year.

Textbooks 2015

This year, we have decided to use a different method of purchasing the student textbooks which can be obtained directly from the supplier. To reduce the amount of money that the office staff needs to process, students are to pay for their textbooks at school on a set date directly to the supplier, L.J. Harper.

The supplier will provide their own staff to collect payment and provide your child with their textbook pack on their set day.

The dates that the students will be required to bring their payment to school to collect their textbook pack, and the costs per student, are as follows:

A note will go home to each student next week with an itemised list of the textbooks.

An envelope supplied by L.J. Harper will be sent home in Week 4. There is an option to pay by cash, cheque or credit card on this envelope. Please **DO NOT SEND any payments** for textbooks before the specified date. If you are paying by cheque, please **DO NOT make cheques payable to the school**.

Please speak to your child’s class teacher if you need more clarification about purchasing textbooks.
Gumnuts start back on the 30th January for another term of fun! You are invited to come down to the West Bexley Uniting Church to see if Gumnuts is right for your daughter with a free, no obligation 2 week trial for you to have fun!
All of our girls are aged 5-7 and will welcome you with open arms. We meet from 4:30pm to 6:30pm.

P&C Annual General Meeting Notice

February 2015

Dear Parents and Carers,

The P&C warmly welcomes all families for the 2015 school year, and a special welcome to families joining our HPS community this year.

The Parents & Citizens Association (P&C) will be holding our first meeting of the year as follows:

Date/Time: **Tuesday 17th February 2014 at 9.15am**
Location: **3/4C classroom in the Belltower building** (pictured below)

The meeting will be the **Annual General Meeting (AGM)** immediately followed by the **February General Meeting**.

During the AGM, the representatives of our school parent community will be elected as Executive role holders for 2015 (President, 2 Vice Presidents, Secretary and Treasurer), so please come along and vote for the team you would like to represent you over 2015.

The General Meeting that follows the AGM will be held to discuss topics of interest to the parent community such as fund raising and curriculum.

Future P&C General Meetings are held every 3rd Tuesday of the month during school term.

Please come along to support your school. It is only together that we can build a strong community and supportive environment for our kids and staff.

All parents and caregivers are warmly welcome.

If you have any questions or concerns which you would like to raise, but cannot make the meeting, please email the P&C at pchurstville@hotmail.com.
