Year 4 Grade Requirements Invoice

Dear Parents and Carers

This year, the classroom resources required to support your child’s learning have been separated into two invoices.

The first invoice issued last month, was for payment of textbooks which was paid directly to the supplier. On the day of payment, your child received their textbooks.

There are a number of other requirements which are necessary to support your child’s learning this year. The cost of these are listed below. We would appreciate payment for these as soon as possible.

In Year 4, payment is required for:

- **Additional craft materials** for Visual Arts which are not able to be provided through the standard school supplies
- **School bookcovers** to protect the student workbooks which are provided by the school
- **School magazines** which provide students with interesting and informative reading material each month to support their literacy learning
