Dear Parents and Carers

As we will have a change to our OC teaching team in 2016, we have decided to retain teachers on their current grades. Therefore, Year 5 students will move to Year 6 classes taught by Mrs Ingram and Mrs Muir.

We believe that this will provide an excellent learning environment for our students. Mrs Muir and Mrs Ingram are greatly looking forward to working with their classes and to meeting you early in 2016.

Warm Regards

(Mrs) Anne Hewson
Principal
