2015 PSSA Winter Sport

Dear Parents and Carers,

Occasionally, due to ongoing wet weather and/or fields being unplayable, a number of PSSA games may be cancelled in a season. Where three or more games are cancelled in a season, and no costs have been incurred by the school, the bus fare component of PSSA fees will be refunded to parents.

So far this season, three games have been missed due to poor weather and we have been able to cancel the buses in advance. At the conclusion of this season, we will calculate how many games have been “washed out” due to wet weather and, if buses have not been required, the fees for those games will be reimbursed to parents by cheque.
