CLEAN UP AUSTRALIA

Dear Stage 2 Parents/Carers,

As part of our ‘Bounce Back’ unit of work, Stage 2 students are discussing ways in which we can work together to look after our environment. To complement these discussions, on Friday 27th February, we will be involved in the “Clean Up Australian Schools” program. Stage 2 students will be encouraged to work together to clean up and look after their school environment - our playground. Each Stage 2 class will work in a particular area of the school with their class teacher to improve that area.

Each child is encouraged to bring a pair of gloves of some kind to wear while picking up rubbish and cleaning up areas of the playground. It would be a great help if children could also bring a plastic bag with them.

We appreciate your support for this activity.
