Term 1 Issue 1

hurstville-p.school@det.nsw.edu.au **4 February 2009**

FROM THE PRINCIPAL

I would like to welcome back all our returning students and families and extend a warm welcome to our new students and their families.

The students have settled into their new classes and have had a positive start to the school year.

If you have any concerns about your child progress academically or socially it is best to contact the class teacher in the first instance as they know your child best. If you need to, please speak to the appropriate Assistant Principal for your child's class/year.

Ms Birch, Mrs Jones and I can also be contacted if you have further concerns regarding your child.

I have included a staff list of class teachers and Assistant Principals for your information and will publish a complete staff list including support staff in a future issue.

I am looking forward to working together with teachers, students and parents to provide quality education at Hurstville Public School.

Anita Rooney
Principal
